Alyssa made a motion to accept the January minutes. Nancy seconded. Motion carried.

Vivian talked about communications. We received an update from Mid-Kansas Electric Company, LLC on the Rubart Station and 9 Tier II reports. Don talked about the new tier II forms and the changes.

The Commissioners signed the promulgation to the updated Local Emergency Operation Plan on January 21. It replaces the 2006 plan.

The Southwest Kansas Health Initiative five Health Departments will conduct an Ice Storm exercise on April 8. Richard Everett stated the location had changed to the Stevens County Library in Hugoton.

The Southwest Hospital Emergency Response Team (SHERT) will conduct a Regional 18 county table top in Garden City on July 10.

Don talked about the Global Harmonization. GHS stands for the Globally Harmonized System of Classification and Labeling of Chemicals. GHS is a system that defines and classifies the hazards of chemical products, and communicates health and safety information on labels and material safety data sheets (called Safety Data Sheets, or SDSs, in GHS). GHS is a system that defines and classifies the hazards of chemical products, and communicates health and safety information on labels and material safety data sheets (called Safety Data Sheets, or SDSs, in GHS). Safety Data Sheets formerly Material Safety Data Sheets will now be standardized.

During the Regional Council update Don talked about the Robot that is housed at Dodge City. They will be having training for law enforcement on how it works and how to request the robot when needed. He also stated they are working on completing the FY11 and Fy12 grant funding and are working to develop and complete projects for FY13. One project is an Incident Management Team Conference starting March 11<sup>th</sup> which 86 people have signed up to attend.

The National Weather Service will be conducting their annual Storm Identification and Spotter training on March 4<sup>th</sup> at 7:00 pm in the Auditorium at the Grant County Civic Center. This training is free and open to the public.

Next Generation 911 meetings are being held. The counties are working with the state and other partners to make this transition as smooth as possible.

On February 13th Don attended a Vulnerability Planning for Schools at Sublette. One of the things they had was a template to assess schools and things to consider. We discussed some of the different things and how it could be used to assess business as well.

Kansas Division of Emergency Management will be conducting ICS 300 class on March 26 and 27, ICS 400 on April 15 and 16 and PIO class April 15 & 16 in Garden City. On April 2<sup>nd</sup> in Dodge City two training classes on the Comprehensive Resource Management and Credentialing System will be held. Times will be 8:00 am and 5:00 pm.

Nahum Manzano stated Pioneer Natural Resources had been working on compliance training and their Emergency Action Plan.
